

EMP SERV, LLC

Physical Job Requirements

Position: Swine Technician

In order to perform the essential functions of a Swine Technician with EMP SERV, LLC all applicants should be able to:

- Stand, walk and be on feet 8 to 10 hours per day.
- Frequently bend, reach, squat and kneel.
- Frequently use one or both hands/arms to grasp or pull.
- Frequently lift objects weighing 3 to 20 pounds.
- Occasional bend while pulling and/or lifting objects weighing up to 50 pounds, or requiring up to 50 pounds of force to move.
- Occasionally bend while pulling and/or lifting objects weighing, up to 100 pounds, or requiring up to 100 pounds of force to move - with the assistance of another person as needed.

I have read and understand these physical job requirements and am able to perform the essential functions of a Swine Technician.
