COVID-19 “Coronavirus” Information for Pipestone Residents

Dear Residents:

As concerns about COVID-19 grows, City of Pipestone officials have been and will continue to monitor local information through the Minnesota Department of Health (MDH) and the Center for Disease Control (CDC). The health and wellbeing of our employees and the residents of Pipestone is a top priority for the city and we are committed to implementing common preventative practices used each year during the flu season:

- Stay home when you are sick
- Wash hands with warm soapy water for at least 20 seconds
- Avoid touching eyes, nose and mouth with unwashed hands
- Avoid people who are sick
- Cover your cough or sneeze with a tissue
- Implement social distancing measures

The City of Pipestone takes the growing concerns of COVID-19 very seriously and will continue to update communications to you as it becomes available. Please see the City website www.progressivepipestone.com for any updates.
